

Technical Sales Engineer (f/m/d)

We are looking for a Technical Sales Engineer (f/m/d) for our Engineering Team in Hamburg. In this role you will support large App Publishers and Media companies with the integration of our AddApptr solution. This position offers exciting and challenging tasks in a dynamic and fast-growing environment.

Your Role:

- Support and consultation of our top clients in integrating our AddApptr SDK into their apps
- Testing and quality assurance of advertising integrations for clients' apps
- Technical support for App Developers and our Key Account Managers
- Quality assurance of the AddApptr SDK (Android, iOS) in close collaboration with our SDK developers

Your Background:

- You enjoy detective work, troubleshooting and error elimination
- Experience in software development in Android (Java) and iOS (Swift, Objective-C)
- You enjoy working with German and international clients
- Fluent in both written and spoken English and German
- Tools: Android Studio, XCode, OTRS & JIRA (ticket systems), HTTP debugging tools (e.g. Charles, Fiddler, Proxyman)
- Nice to have's:
 - Experience in backend development (PHP, MySQL) or in backend operations (Debian)
 - Technical education / Degree in engineering or any technical field

About AddApptr:

AddApptr offers a premium mobile programmatic advertising solution for large app publishers. At its core, AddApptr is a tech company. Billions of ad impressions are delivered each month via the AddApptr Meta-RTB solution, creating millions of Euros in advertising revenues for AddApptr publishers. AddApptr also offers a full-service package, managing all administrative work, account set up and yield optimization for premium publishers. Some of the world's largest app publishers and media companies are AddApptr customers.

What we offer:

- A dynamic and highly committed team in an international, fast-paced environment that is enriched by daily challenges

- An organization with flat hierarchies and short decision paths
- Flexible working hours and home office regulation
- Competitive compensation package, training programs and share options program
- Stay fit and healthy with us: fresh fruits, coffee, tea & juices, “bike to work” with JobRad
- Regular team events and team lunches
- A centrally located office with a beautiful view by the shores of Hamburg’s Alster
