

ACCOUNTANT (f/m/d)

Your role as an Accountant in our team:

The job of the Accountant in our team is very important to support our growth and company's success. With your help, the processes in the Finance department will run smoothly and efficiently so that we can build lean and scalable financial processes ensuring AddApptr's financial stability.

In our team, you will be the one that helps our business to make critical financial decisions by collecting, tracking, preparing accounts, reporting, budgeting, and managing financial information.

You will provide support and help to prepare and examine financial and accounting records, ensuring that the information is up to date and accurate. This means that your responsibilities will include advising and helping clients - externally or internally.

Your tasks:

- Assisting in the preparation of monthly, quarterly, and annual end close according to HGB and IFRS.
- Sub- and general ledger accounting.
- Compiling and presenting internal and external reports.
- Consolidation and Reconciliation of subsidiaries.
- Identify, drive, and implement process improvements, digitalization, and automatization.
- Collaboration in special tasks and projects, e.g., implementation of an ERP system
- Be the contact person for Auditors and Tax advisors.

Your Skills:

- Respective accounting skills and work experience with good knowledge of Handelsgesetzbuch (HGB) and International financial reporting standards (IRFS).
- At least two years of experience in a similar role, ideally in an international Group.
- Knowledge of at least one ERP system as well as general IT affinity are advantageous.
- Confident handling of MS Office (including MS Excel).
- Bachelor or equivalent Finance degree.
- Strong attention to detail and good analytical skills.
- Good written and spoken German and English skills are essential.

Nice to have:

- First experience in Controlling/ FP&A is a plus.
- DATEV knowledge is a plus.

About AddApptr:

AddApptr offers a premium mobile programmatic advertising solution for large app publishers. At its core, AddApptr is a tech company. Billions of ad impressions are delivered each month via the AddApptr Meta-RTB solution, creating millions of Euros in advertising revenues for AddApptr publishers. AddApptr also offers a full-service package, managing all administrative work, account set up and yield optimization for premium publishers. Some of the world's largest app publishers and media companies are AddApptr customers.

What we offer:

- Competitive compensation package, training programs and share options program.
- Flexible working hours and home office regulation.
- An organization with flat hierarchies and short decision paths.
- A dynamic and highly committed team in an international, fast-paced environment that is enriched by daily challenges.
- In-house English and German classes
- Stay fit and healthy with us: fresh fruits, coffee, tea & juices, "bike to work" with JobRad and Yoga class.
- Regular team events and team lunches.
- A centrally located office with a beautiful view by the shores of Hamburg's Alster.

We are looking forward to have YOU [join](#) our team!
